

Unshakable PEACE

29th Annual Weekend Getaway

We're excited to announce that our **29th Annual Weekend Getaway, April 21-23, 2017, will feature Alicia Williamson Garcia** as our Keynote Speaker. She is a National Worship Leader and Bible Teacher, Award Winning Musical Artist and Author. Since women from your church have attended in the past, I'm certain they will want to be a part of this inspiring retreat.

You may want to consider using this event for your group's retreat this year. The Weekend Getaway will allow you to spend time with your women without any responsibilities. **The group benefits for registering 10 or more participants are:**

- Special group recognition
- A meeting room for group use is provided during free time Saturday afternoon and after the evening session
- Groups will be seated together for all meals so you can fellowship together
- Once your church group reaches 20 paid registrants, the 21st person qualifies for a **free registration**. Please phone our office for this registration to be processed by our staff
- For groups of 20 or more, each person will receive a complete set of Getaway messages from all the sessions

When your church members register, **please make sure they list the group leader's name/church** on the registration form so we can make sure you sit together at meals.

Enclosed you will find a packet of promotional materials. We have added an option for you to download additional items as needed on our website under the Ministry Updates/Events & Conference section www.christianworkingwoman.org.

I would be very grateful if you would share the enclosed materials with women in your church.

Please contact me if you have questions or need additional brochures.

Gratefully,

Alice Huntzicker
