CHICAGO LADIES OF FAITH LEADERSHIP SUMMIT.

"Levi was sitting at his place for collecting taxes. Jesus said to him, "Follow me." Then Levi stood up and followed Jesus." Mark 2:14 It takes the gift of leadership to say two words " Follow Me" and have someone stop what they are doing to follow you. Leaders are not made overnight. This summit will educate, empower, and enlighten you to grow your leadership and influence.

We hosted our first leadership summit for women in 2003. Over the last 16 years, we have inspired thousands of women leaders to excel in their calling and businesses.

Our CEO and summit facilitator, **L. Renee Richardson**, has over 35 years in the highest levels of leadership in ministry, business and the corporate sector--top 2 percent. She hit the six figure mark in her early 30s and earned over \$325,000 before the economic crash. Discovering God's amazing grace, L. Renee was empowered by the word of God to re-build her dreams and has a quest to mobilize 1,000 women leaders - Vision 2025. She has a 10 year vision of hitting \$1 million plus in annual revenue- Vision 2022. She is leading Women of Vision and Destiny Ministries and Wealth and Riches Today, two global corporations. She has invited powerful women to share their insights for success.

Our WOVD Professors are seasoned women from business, ministry & corporate America!
