## Lesson Five Poll

I'm too old – or too young to do that.

Yes No I was in that box but not in it now.

I don't have the right education.

Yes No I was in that box but not in it now.

I don't have the right experience.

Yes No I was in that box but not in it now.

I don't have enough money.

Yes No I was in that box but not in it now.

I'm not good with people – not a leader.

Yes No I was in that box but not in it now.

I'm an introvert – too shy – to do that.

Yes No I was in that box but not in it now.

I'll never be able to learn all this.

Yes No I was in that box but not in it now.

I don't have the right "look."

Yes No I was in that box but not in it now.

That's not my gift.

Yes No I was in that box but not in it now.
