Think about one of the hardest times in your life. What gave you the strength to get through that time?

Think about the happiest time in your life or the happiest you've ever been. How did you celebrate?

Questions on what you believe about God:

Do you believe in a triune God? God the creator, Jesus your Savior, Holy Spirit your helper.

Do you believe God loves you so much that he gave his son to take the place of your eternal death?

Do you believe God's Word is true? Do you believe it is relevant for today?

Do you see God as a just judge? Do you see his discipline good for you? Do you see God as victorious?

Do you believe God sees, knows, and is with you?

Do you believe God has all authority? Is a Sovereign God?

Do you believe God is the creator of all creation? Do you believe he is trustworthy?

Evaluation: If there is something you don't believe or are struggling to believe – that is ok. We are all growing in our faith. Take time to wrestle with that unbelief, pray and ask God to help your unbelief. He is kind and patient and will reveal himself to you.

What are you most afraid of when faced with standing confidently in your faith?

How can you grow in this area so that you do not fear?

What gives you the most confidence to stand in your faith?
